Help with Big Events (i.e. Spring Walk for Life and Fall Celebrate Life Banquet)

Help with Mass Mailings

Administrative Help

Be a Life Ambassador:

Life Ambassadors are valuable leaders in the community who stand strongly for life and:

- *Link* their churches with current ministry resources and materials
- *Inform* others of ministry news and activities
- *Find* friends and other church members to support or volunteer
- *Encourage* event participation

These key volunteers commit to one year in which they recruit others to participate in the mission, communicate with staff through mail, e-mail, and occasional meetings, and receive promotional material and other resources.
